Allen Park Police Department Weekly Summary

OPERATING UNDER THE INFLUENCE OF LIQUOR/ALCOHOL
Date: 09/11/2022

Location: 1000 OUTER DR., ALLEN PARK
Time: 1:20 PM

22-8449
Operating Under the Influence of Liquor/Alcohol
09/11/2022 at approximately 0120 hours
OFFENDER: IMPOUNDED
VEHICLE: Dark blue 2021 Chevrolet Trailblazer, MI Plate
INFORMATION: On the above date and time, an Officer was conducting stationary RADAR on Outer Dr., just east of Enterprise Dr. (facing e/b traffic). The Officer observed a dark blue 2021 Chevrolet Trailblazer, MI Plate: traveling w/b Outer Dr., approaching Enterprise Dr, in my rear view mirror. The Officer could observe the vehicle traveling at a high rate of speed, but came to a stop at the red traffic signal at Outer Dr. and Enterprise Dr. When the traffic signal turned green for Outer Dr., Chevrolet took off at a high rate of speed, almost hitting the curb in the right lane. The Officer entered the roadway to follow the Chevrolet, but had to accelerate at a high rate of speed, close to 70 MPH, just to catch up to the Chevrolet. While the Officer was attempting to catch up to the Chevrolet, he observed the moving back and forth between the left lane divider and right curb. He was finally able to catch up to the Chevrolet at Outer Dr. and Southfield Service Dr. The Officer then observed the Chevrolet make a prohibited turn, turning right onto the n/b Southfield Service Dr. (No turn on red sign). The Officer then initiated a traffic stop, where the vehicle came to a stop on the n/b Southfield Service Dr.

He made contact with the driver, and requested his MI Ops, vehicle registration and vehicle insurance. Teh driver provided me his MI Ops; The Oficer could smell the odor of intoxicants emanating from the vehicle and observed watery eyes. Teh Oficer asked where he was coming from and where he was going. He stated that he was picking up his cousin, nephew and cousin's friend from a residence in River Rouge and then taking everyone back to his house. The Officer asked if he had consumed any alcohol, which stated he consumed "two shots" approximately an hour prior. The Oficer confirmed driving status was valid and informed him that due to his driving behavior and admitting to consuming alcohol, that he would need him to provide the Standardized Field Sobriety Tests. Harris stated that he would comply and exited his vehicle. After exited his vehicle, the Officer patted him down to make sure that he did not have any weapons on him. He asked if he had any medical issues that would prevent him from performing the tests. He stated that he did have sciatica, but that it would not be an issue when performing the tests. The following tests were completed: H O R I Z O N T A L GAZE NYSTAGMUS: The Officer gave him the instructions for the test, which he stated he understood. The Officer conducted the medical checks, looking for a resting nystagmus (none present) equal tracking and equal pupil size. While performing the test, he observed a lack of smooth pursuit, the onset of nys-

tagmus prior to 45 degrees and a distinct and sustained nystagmus at maximum deviation (6 clues). WALK AND TURN: The Officer had him get into the starting position and to not move from that position until he informed him to do so. He stated he understood. While the Officer was explaining the test to him, he was unable to keep his balance and stepped away from the starting position. The Officer completed explaining the test to him, which he stated he understood. On multiple steps, he did not step heel to toe, also stopped on multiple steps before continuing, did not step the correct amount of steps on both trips and did not turn around as instructed by mthe Officer (5 clues). ONE LEG STAND: The Officer had him get into the starting position while he explained the test. He stated he understood the test. He began and lifted his foot and immediately put it down to maintain his balance. He lifted his foot again to continue and immediately began to raise his arms for balance, he started to hop and sway to maintain his balance. After multiple attempts to complete the test, the Officer terminated the test for his safety. The Officer read his Preliminary Breath Test Rights and asked if he would provide a breathsample. He provided a breath sample of .20 BAC. The Officer informed that he was to be placed under arrest for OUIL; was handcuffed (TC/DL) behind his back, searched and placed in the rear of Vehicle #33. While the Officer was speaking with him, another officer was speaking

MOTOR VEHICLE THEFT
Date: 09/11/2022

Location: 1000 WINONA, ALLEN PARK
Time: 8:30 PM

22-8479
Motor Vehicle Theft
Between hours of 2030 of 09/11/2022 and 0200 of 09/12/2022
STOLEN VEHICLE: White 2019 Ford Edge, MI Plate
INFORMATION: On the above date and time, an Officer was dispatched to Winona in reference to a motor vehicle theft. Dispatch advised that a white 2019 Ford Edge was taken from the caller's driveway. The Officer arrived on scene and made contact with the owner of the vehicle's husband. He advised that the Ford was parked in the home's driveway, all the way to the backyard gate. He stated that the last time he and his wife had observed the Ford

was on 09/11/2022 at approximately 2030 hours, before the two went to bed. The Officer spoke with the wife and asked if she had the Ford Pass mobile app on her phone. She retrieved her phone and showed me the app; The Officer attempted to access the vehicle's location on the app, but was unable to due to it not being connected to the vehicle. The Officer searched the driveway for any damage that may have come from the Ford, but did not locate any. The Officer observed the whole driveway to still be wet from the rain from during the night on 09/12/2022; from approximately 0100-0200 hours, there was rainfall.

This led then to believe that the Ford was taken either before the rainfall or during the rainfall. The Officer attempted to locate any surveillance cameras on any of the neighbor's residences, but was unable to locate any. The Officer advised that the Ford would be entered into LEIN as stolen and a message would be put out to local jurisdictions about the stolen vehicle. The Officer also advised them to contact customer support of the Ford Pass to see if they could possibly locate the vehicle or activate the Ford on her mobile app. The Officer contacted dispatch to enter the Ford into LEIN as stolen, which was then confirmed.

to the register owner of the vehicle, on the cell phone of one of the passengers. While informing that her vehicle was to be impounded, she informed Ofc. that her handgun may be in the vehicle. She stated that she did not tell that there was a gun in the vehicle and the Officer spoke with him who stated he did not know that there was a handgun in the vehicle. The Officers had the occupants of the vehicle exit and located a purple/black Ruger SR22 underneath the driver's seat. The Ruger was recovered and had a loaded magazine with a round in the cham-

ber. The Officer did not believe he knew the handgun was inside the vehicle and that was confirmed by the owners statement. The Officer secured the handgun in his vehicle. City Towing was notified to impound the vehicle. The Officer completed an inventory search and then the vehicle was impounded without issue. The Officer transported the driver to the Allen Park Police Department where he was processed and housed without issue. The Officer read his Chemical Test Rights from the DL-177 and began the observation time at 0219 hours. He stat-

ed he understood his rights and would provide a breath sample. A breath sample was provided of .19 BAC at 0237 hours and 0240 hours of .20 BAC. The Officer checked the handgun in LEIN to make sure that it was not stole and registered to LEIN provided the information that it was not stolen and registered to her. The Officer entered the handgun into LE-RMS for safekeeping and placed it in Locker #7. The Officer issued a citation to the driver, for Operating Under the Influence of Liquor.

ALLEN PARK ATHLETICS

ON THE SIDELINE: WILLIE NELSON, OMELETTES, HANNIBAL LECTER AND FRANKENMUTH

By Don Richter
drichter101@comcast.net

On the road again. Just can't wait to get on the road again. With all due respect to the legendary Willie Nelson, who wrote and sang the above two lines in his hit single "On The Road Again," I have been living the life of a touring music performer the past few weeks. I've been traveling all over southeast Michigan for my job these past few weeks, plus at the same time going out to the west

side of the state for a get-together with a group of longtime friends and driving up to Frankenmuth for a couple days to spend time with family.

Whew. It's been quite the few weeks behind the wheel.

Visiting Frankenmuth, though, I must say, was an interesting, enjoyable and very culinary satisfying experience. What a cool place. I hadn't been up there in probably close to 40 years. Dang, that makes me sound old. But in all actuality, it really had been that long of a time between visits to Frankenmuth for yours truly.

I need to go back more often.

First off, the touristy section of the city where I stayed and spent all of my time was one of the most

colorful, sumptuous, decadent, overflowing flower-filled feasts for the eyes I have ever witnessed. The whole scene felt as if I was on some sort of Disney set or cast in a 1950s-era movie. The downtown area of Frankenmuth was so perfect looking. I expected to look over my shoulder and see Jimmy Stewart and Donna Reed walking arm-in-arm down the sidewalk (kids, Google them).

I stayed at the gorgeous Bavarian Inn downtown. The hotel is smack dab in the middle of everything and looks like it should be located in the Swiss Alps instead of mid-Michigan.

While "Frankie," as my sister calls Frankenmuth, is a feast for the eyes, it's also certainly and without doubt a feast for

the stomach. I swear I gained 10 pounds during the two days I spent in the "Muth," as I call it.

One of the largest meals I had in Frankenmuth was a chicken dinner (is there anything else?) at Zehnder's Restaurant. World famous for their chicken dinners, Zehnder's did not disappoint. Oh man, I couldn't stop eating. The food was so delicious. To make me stop inhaling pieces of chicken after pieces of chicken after pieces of chicken, etc., the staff at Zehnder's was forced to take drastic measures. Like Hannibal Lecter, in the movie "Silence of the Lambs," the waitstaff at Zehnder's had to place a mask over my mouth and strap me to a dolly and wheel me out of the restaurant

The Bavarian Inn in Frankenmuth.

before finally releasing me to my family waiting outside by the car. Sadly, I don't think I'm allowed to return.

On my last day in the "Muth," I stopped in to check out Bronner's. Dubbed as one of the largest, year-round Christmas-themed attractions in the world, Bronner's certainly lived up to that boast. With tempera-

tures outside in the 80s and blue, sunny skies above, the atmosphere of Bronner's still felt like Christmas in December as Christmas tunes blared throughout the parking lot and inside the place itself. With every conceivable Christmas decoration and themed item imaginable lining **continued on page 8**

ON THE SIDELINE: WILLIE NELSON, OMELETTES, HANNIBAL LECTER AND FRANKENMUTH

continued from page 4 shelves upon shelves upon shelves in a football-field sized building, Bronner's was amazing.

On the way home, just before turning onto the freeway, I decided after all the walking I did at Bronner's that I was hungry. I gazed to my right and saw the sign for Tony's Restaurant. I had completely forgotten that Tony's was nearby Frankenmuth in the neighboring town of Birch Run. I had eaten there multiple times before returning from other trips not asso-

ciated with "Frankie." Tony's is known statewide for its LARGE SERVINGS of food. And I mean LARGE. So LARGE that my farmer's omelette was made with NINE EGGS. The omelette was as large as a couch pillow. After getting over the initial shock and awe of the mammoth monstrosity of an omelette heavily plopped down in front of me, I proceeded to devour it completely in a fairly easy fashion. I haven't yet figured out what that actually says about me.

Either way, it's

been a crazy, fun-filled whirlwind of a few weeks recently.

On the road again. Just can't wait to get on the road again.

I just need a nap first.

And a larger pair of jeans...

The super-sized, nine-egg omelette at Tony's Restaurant.
