Chelsea's Fresh Air Market 2021

By Charla Hamilton
charlachelseaguardian@gmail.com

Chelsea's Fresh Air Market of 2021 was a success! The event ran this year from August 12 through August 14. Downtown businesses featured specials and sales and there was something for everyone including an exciting scavenger hunt! Participants of the hunt picked up maps and clues from the Chelsea Area Chamber of Commerce and the winner was awarded a basket of Chelsea goods! Congrats to Sophia Stanavich who was top winner of the scavenger hunt.

There was also a Fashion & Home Show on the last day of the Fresh Air Market held at Palmer Commons. There were fun displays by business owners of their merchandise. There was clothing and home and garden décor as well as other unique items and Ugly Dog Distillery provided non-alcoholic beverages during the event.

Auction Opens and Chef's Menu Announced for Dinner Event Benefiting the 5 Healthy Towns Foundation's Farmers Markets

continued from page 1

From: Shawn Personke

Calling all farmers market fans!

The virtual auction benefiting 6th annual 5 Healthy Towns Farm to Table Fabulous Feast has opened. And ticket sales for the dinner event supporting the Chelsea, Grass Lake, Dexter, Stockbridge, and Manchester farmers markets are now on sale.

"We have so many cool items — over 65 items, in fact — on the auction block," said Sabrina Edgar, chair of this year's event and manager of the Grass Lake Farmers Market.

"There's a Trip to Italy, a 4-Course Dinner for 4 from Chef Savur, art from Chelsea artist Sue Craig, U of M football tickets, a Wellness Center membership, restaurant gift certificates, a car detailing from La Fontaine, fresh baked goods, goodie baskets, and hand crafted folk art, to name a few," she added. "Each of our markets is also providing delicious auction items."

The auction is a two-fold event, with all items available for bidding virtually, with a dozen items moving to the live auction format at the dinner event on Sunday, Aug. 29, 2021, at 4 p.m.

For the past 5 years, the fundraising dinner traveled to each of the five healthy towns. In 2016, Chelsea presented the first dinner, followed by Grass Lake, Manchester, Dexter, and, in 2020, Stockbridge.

Edgar said she also wants people to know that the committee is planning for a Covid-safe event.

"We're providing more tables in the fresh air under the pavilion and tent so that people can eat and socialize with some space," she said.

Volunteers set up the 5 Healthy Towns Farm to Table Fabulous Feast, hosted by Manchester in 2018. The 2021 event will be held at the Grass Lake Community Events Park. The event features a multi-course meal using local produce by local chefs from Smokehouse 52, Roaming Goat, Kitchen Little, and Silver Maples of Chelsea. Beer and wine are provided by Jolly Pumpkin and Lone Oak Vineyards.

Chelsea's market manager, Emily Griswold, has been lining up the chefs to prepare the food donated and purchased from each of the five farmers markets.

"Smokehouse 52 is cooking up the main entree, Picnic Chicken, as well as a sweet and savory tofu option," said Griswold. "Roaming Goat is on for a Grilled Romaine Heart Salad with a peach lavender vinaigrette, and Chef Emily from Chelsea Alehouse is doing Pickled Veggie and Feta Skewers."

"Silver Maples' Chef Travis is preparing a Toasted Crostini with Tenderloin and Michigan Cherry Salsa, and a Roasted Beet Hummus Shooter," she added. "We'll have Jolly Pumpkin beer, Lone Oak wine. And Common Grill rolls."

"We've got a couple more surprises lined up, too," said Griswold. "The whole menu is looking really good and we're excited to see our chefs using the produce from our five markets."

Update on additional COVID-19 vaccine doses for moderately to severely immunocompromised people

From: Washtenaw County Health Department

The CDC recommends that significantly immunocompromised people (such as people who have received solid organ transplants or are receiving cancer treatments) who got either the Pfizer or Moderna vaccines get an additional vaccine dose.

People who aren't immunocompromised do not need an additional vaccine dose right now.

Beginning Tuesday August 17, we will be able to give additional doses to immunocompromised people at our ongoing Health Department clinic at 555 Towner in Ypsilanti. Those eligible for an additional dose will be asked to attest to their condition. See clinic details here: http://bit.ly/vaxwchd.

We strongly encourage patients to talk with their primary care doctor (or treatment team who cares for their immunosuppressive condition) before getting an additional dose. Your health care provider can help determine if an additional shot is needed and, importantly, determine the appropriate timing of an additional dose.

Please remember COVID vaccines are now widely available and other providers are also offering these additional doses: http://bit.ly/vaxlocations.

Learn more from the CDC: https://www.cdc.gov/.../vaccines/recommendations/immuno.html.

CHELSEA BULLDOGS GIRLS SWIM & DIVE

CHS GIRLS SWIM READY FOR SEASON!

From: Andrew Thomson

Comments from head swim coach, Thomson: "We are excited to get back in the pool for the 2021 girls swim & dive season after a roller coaster season in 2020. What started with outdoor swimming in August 2020, finished with a pause the week of state meet in November and a re-start of the season after the winter break to sprint to the state meet finish line in January. A season that normally lasts 15 weeks took us 5 months to complete!

This year's team has a totally different look too. We are young with a lot of new faces. Of our 29 members, only 8 are juniors and seniors! Our freshman class of 13 girls is the largest since 2015. They are energetic with plenty of talent and looking to start making a mark in the program.

This year Bella Turner looks to finish her senior season on a high note. After coming out of the COVID pause last January, she did her best to stay tough and finished as a double all state sprinter in the 50 and 100 freestyle. She hopes to exceed that goal this fall. Riley Monahan also is looking to make waves in her junior year, after making it to the state meet in the 500 freestyle last year. She looks to move from just getting on the podium to earning a medal this fall. Amanda Dosey is another senior to watch in diving. After earning a spot in the state meet last year, she has an even bigger goal of finishing all 11 rounds and making it to the podium this fall. Division 3 diving can be tough, and there will be serious competition again this year, but that has never stopped her up to this point.

The Bulldogs also will have a goal of making sure all three relays make it to the state meet this year. Turner, Monahan and Dosey are all part of that equation. Senior Chelsea Paddock was also part of the relay team last year, and will look to make an impact this fall. Jess Neff and Amelia Christie look to challenge each other each and every meet this fall too as everyone looks to earn a spot!

While the SEC White Division looks completely different for swim & dive this fall with Dexter moving up to the Red Division, Chelsea will still plan to swim our rivals to the east. We will be at Dexter on September 14. The Bulldogs will host Milan on September 21, which is always a great non-conference matchup. Maybe the biggest meet of the season will come on September 23 when we host Jackson. The SEC White Division championship is truly up for grabs for the first time in many years, and Chelsea and Jackson will be fighting tooth and nail to try and earn that championship this fall."

CHELSEA BULLDOGS BOYS CROSS COUNTRY

CHS BOYS CROSS COUNTRY FALL PREVIEW

From: Eric Swager

Swager's comments: "We come off a very successful recent few years. After back-to back state championships in 2017-18, we were 4th place in both 2019 and 2020. We have qualified for the state finals in 19 straight years - one of the best streaks in the state, any division.

We lost several cogs in the machine to graduation, All-Stater Erik Reiber, as well as other varsity guys, Owen Smith, Jimmy Alford, and Caden Faupel.

Jimmy and Erik will both move on to compete at the college level.

We return All-state runner Connell Alford, as well as all Region performers Bram Hartsuff and Zebedee Swager.

Jackie Dell had an outstanding track season, and hopes to be in our top 5, and Senior Jonas Norwood has looked sharp in early season long runs.

Junior Nick Spruce and incoming freshman Leo Swager both hope to crack the top varsity 7.

We have some good depth, as Seniors Grayson Eckland and Colby Pfieffer have been hammering the mileage, while Ethan Kapolka and Misha McElrath come off improved seasons in 2020. John Putnam, Colin Kovich, Connor Zatkovich, and the fabulous Muckle twins - Gabe and John round out the returners. Newcomers Jay Hawkins and Mo Cugliari have shown some good early season work ethic as well.

Pre-season Rankings finds SEC-White foes Adrian and Pinckney ranked #1 and #2 in the state - so the league schedule should be a barnburner for us.

Of course we ultimately shoot for the end of the season - Regionals and the State finals.

We have had a very good summer of training, and the attitude of the squad is aggressive but realistic. We hope to stay healthy, and give our best this fall.

Continued thanks goes out to all the parents, volunteers, and the supportive Athletic Department that makes our continued success possible.
