**CHELSEA DISTRICT LIBRARY**  
ENGAGE. INSPIRE. EQUIP.  
From: Virginia Krueger  
Chelsea District Library (CDL) is thrilled

to announce the award of a \$25,000 grant from the Chelsea Community Foundation (CCF) for Mobile CDL—an initiative to add a library outreach vehicle to improve access to library materials, services, and technology. Imagine pop-up storytimes at county parks or ball fields. Envision having a mobile office visit neighborhoods without reliable broadband and providing printing, scanning, and computer help. Picture a friendly librarian delivering a browsable collection of books, movies, music, and more! All of this and so

much more are possible with Mobile CDL! Director Lori Coryell shares, “When I started as CDL’s library director in 2016, we identified a gap in service between the City of Chelsea and the surrounding townships within the library district. Improving access and library use in the townships has been a topic in both the strategic plan of 2017–19 and the current 2020–23 strategic plan. I am so gratified that the board approved this initiative and that we have such incredible community support from the Chelsea Com-

# Humane Society of Huron Valley hoping to Empty the Shelter

Folks in the community literally emptied out the dog kennels at HSHV by adopting during the last "Empty the Shelters" event.

"Yuki" the dog and one of many happy adopters at HSHV's lost "Empty the Shelters," a nationwide pet adoption event BISELL Pet Foundation.

You can adopt an adult cat or dog for just \$25 at the Humane Society of Huron Valley (HSHV) right now.

"We are full!" says Alison Balow, HSHV's Adoption Manager. "There are so many animals deserving of homes. I've never seen it like this."

With record numbers of animals in shelters, BISELL Pet Foundation is sponsoring the annual "Empty the Shelters," the largest funded adoption event in the country. This year's is the longest ever, spanning July 11-31 in more than 250 shelters across 42 states, including Ann Ar-

bor's HSHV.

"The last time we participated in 'Empty the Shelters,' our kennels literally emptied out, and staff were overjoyed with the amazing families made that day," adds Balow.

"Right now, we've got more animals coming in than adopters," says Tanya Hilgendorf, HSHV's CEO. "Increased adult dogs coming in as stray and as cruelty cases are pushing us past capacity. And we just had a month of more incoming kittens than we've seen in a decade—likely due to the lack of access to spay/neuter services during the shutdown

and ongoing. Across the state, we're seeing overcrowding, and tragically, an increase in euthanasia in many shelters."

"We hope this promotion encourages folks to adopt and save a life," says Hilgendorf.

BISELL is subsidizing adoption fees up to \$50 per animal, and HSHV is discounting the rest. All cats and dogs have been spayed/neutered, are up-to-date on their vaccines, have had an initial health check, and come with a microchip ID. In addition to \$25 adoptions for adult dogs and cats, HSHV is also offering free small mammal adoptions and "adopt-one-get-one-free" kittens.

HSHV is open for adoptions 7 days/week, and no appointments are needed. For more information on adopting as well as photos and profiles of animals available for adoption, see [www.hshv.org/adopt](http://www.hshv.org/adopt).

About BISELL Pet Foundation:

BISELL Pet Foundation is a charitable 501(c)(3) non-profit organization with a mission to help reduce the number of animals in shelters through pet adoption, spay/neuter programs, microchipping and emergency support. Founded in 2011 by Cathy Bissell, BPF is an extension of her long-standing love for animals and commitment to their welfare. BPF has since partnered with more

than 5,600 shelters and rescues across the U.S. and Canada to help pets find loving homes. The foundation is supported by generous donors and BISELL Homecare, Inc where every purchase saves pets. To learn more, visit [www.bissellpetfoundation.org](http://www.bissellpetfoundation.org). For more information on Empty the Shelters, visit [www.bissellpetfoundation.org/empty-the-shelters](http://www.bissellpetfoundation.org/empty-the-shelters).

About The Humane Society of Huron Valley:

The Humane Society of Huron Valley, located in Ann Arbor, is an independent 501(c)(3) non-profit organization and relies solely on the generosity of our supporters to provide critical com-

munity programs and services. HSHV is an award-winning organization, recognized for our best practices and highest animal "save-rate" among all similar shelters in Michigan. Charity Navigator, the nation's top charity evaluator, awarded HSHV a 4-star ranking, the highest possible. The mission of HSHV is to promote the loving, responsible care of all animals in our community. HSHV is not affiliated with any other humane organization and does not receive funding from the United Way. More information can be found on HSHV's website ([hshv.org](http://hshv.org)) and on our annual report ([hshv.org/annual-report](http://hshv.org/annual-report)).

# Bored Kids? Lost Railway Museum and Fairy Forest in Grass Lake a Great Solution

► continued from page 1  
By Aimee Bingham Osinski  
anbingham@gmail.com

Parents, are you counting down the days until the kids are back in school? Have you heard enough whining about boredom to last a lifetime this summer? Trying to limit day trips and adventures due to inflation and gas prices? Thankfully, Grass Lake has affordable options just down the road.

The Lost Rail-

way Museum is open Wednesday - Saturday 10 am- 4pm. Admission is donation based so give what you can. According to the website, your kid can:

“Imagine the time before paved streets, cars and buses. Village streets bustling with activity and people in the early 1900’s of Grass Lake. The electric Interurban railway system is the primary mode of public transportation. More than

six railways intersected Jackson County and delivered visitors to and from Ann Arbor, Jackson, Battle Creek and Lansing. Now, get ready to see what that time was like at the Lost Railway Museum.”

Among displays are outfits from the era, a mini Grass Lake with a train kids can control, a Model T and a train ride that takes passengers on a ride of the Interurban rail-

way system and ends at the museum. Kids can have a history lesson, some fun, and learn about the technology that made it all possible, without costing parents a tank of gas and their sanity on a long trip. If you need snacks and coffee, the Roaming Goat, at 115 Lake Street has healthy, delicious kid friendly options and tired parents can recaffeinate with coffee and tea. Once the caffeine kicks

in EWalk to 153 Lake to take a walk through the Fairy Forest. As Sophie Boudreau described, “As its name suggests, this spot brings a bit of fairytale magic to life for all who choose to visit. No matter what your age, you’ll find yourself utterly enchanted by this destination.”

The Fairy Forest is currently themed Alice in Wonderland. It is the secret space I dreamed of as a child.

Admission is free. The forest is maintained out of the goodness of the homeowner’s heart. It is a magical place for children and adults alike. If they’re still rambunctious, take the kids to the playground by the lake, also on Lake Street, coincidentally. You have a day of low cost entertainment for the family and yourself that will help keep your sanity during these long days before school starts.
