# Allen Park Police Department Weekly Summary

## MOTOR VEHICLE THEFT

Date: 11/13/2023

Location: 6000 ALLEN RD., ALLEN PARK, MI  
Time: 10:00 PM

Motor Vehicle Theft 11/13/2023 between 2200 and 2230 hours  
**VEHICLE STOLEN:** -Silver 2011 Volkswagen Jetta, MI Plate  
**INFORMATION:** On the above date at approximately 2300 hours, an Officer was dispatched to the back parking lot of 6000 Allen Rd. - in reference to a motor vehicle theft. The Officer arrived on scene and made contact with the victim and his girlfriend. He stated that he had parked his silver 2011 Volkswagen Jetta right in front of the back door to the bar. At approximately 2200 hours, he left the bar with his girlfriend to go back to her house. When he and his girlfriend returned from the bar, they noticed that the Jetta was not on the scene. The officer checked the area and

did not locate any broken glass. He stated he does keep a spare key fob in his vehicle, but an ignition key is required to start the vehicle. The Officer observed a surveillance camera on the property, looking at the parking spot in question, but there is tree coverage and the Officer was unable to view the footage. The Officer spoke with the staff who stated that the owner has access to the cameras and would be able to provide the footage to detectives the next day. While speaking with the bar to obtain information about the vehicle, the Officers observed the victim and his girlfriend to be whispering to each other about the incident. He did not appear to be distraught at the fact that his vehicle was stolen. The

Officer advised that if he had any suspicion or if there was anything more to provide to officers, that now was the time. He stated no one else had a key to his vehicle and that he has no issues with anyone. He did ask what the steps were if he later found his vehicle. There was no suspect information to provide. The Officer provided him with a copy of the incident number and advised him to contact the Detective Bureau the next day. A check of the Flock cameras showed that the vehicle had not been detected around the time of it being stolen. I had Dispatch enter the Jetta into LEIN/SOS as "stolen" -. The Victim does not have any insurance information to provide as there is no insurance on the vehicle.
