## Mikey and Me, Local Dog Foster Celebrates 300 Adopted Dogs

Daniel and the dog that inspired his foster, Mikey. Photos By Aimee Bingham

By Aimee Bingham  
anbingham@gmail.com

A while back, someone shared photos of a cute dog on Facebook. I am a dog lover, so I took note. I realized the dog rescue, as I thought it was, was located in Chelsea. Through this story I learned that Mikey and Me is not a dog rescue, it's a dog foster. This past weekend, I had the opportunity to visit and meet Daniel DePew, the "and me," part of Mikey and me. Mikey was the little furry bestie who inspired all this work to create a safe, happy in-between for dogs before getting

a forever home. In 1994 Daniel purchased a dairy farm on Freer Rd. He had a lot of land and a vacant crumbling dairy barn. He wanted to foster dogs about to lose their chance in shelters. The seed of an idea grew like crazy from there. His friends encouraged him to set up a Facebook page. Rather than simply ask the community for funding, he funded the remodel of the lower level of the empty dairy barn through donations of goods from the local community. He picked up items people were willing to part with. He **continued on page 5**

# Winterfest! Fun For All at Chelsea's Michigan Friends Center

On Sunday, March 3, the Michigan Friends Center will be reviving its Winterfest! open house. Last held in 2019, Winterfest! is an afternoon of activities to appeal to persons of all ages

A nature scavenger hunt for kids is planned, with acoustic guitar by local musician Dale Osborn as an indoor option. The scavenger hunt will be followed by cocoa and cookies, storytelling by Ann Arbor Storyteller's Guild member Lorelle Otis, and a didgeridoo performance by the Werderitschs, a local father and son team. If the weather is right, participants are en-

couraged to bring sleds to enjoy nearby sledding.

"I think we all start to get a bit of cabin fever by late February and here is a chance to wear out the kids on an outdoor scavenger hunt, enjoy music, story telling, and the pleasure of each other's company. If you are in town, there is no better place to be!" said Pat Hopkinson, program host.

The Michigan Friends Center is a non-profit community and conference center two miles northwest of Chelsea located on the grounds of Friends Lake Community. The Center has been serving the Chelsea area for the past 30 years, offering both a facility for other groups to meet and public programs on environmental sus-

tainability, peace and justice, and wholistic health (including spiritual growth).

"Groups of fewer than 100 find a renewed sense of connection with each other, the natural world, spirit or purpose, and even with themselves after time spent at the Center," said Carolyn Holland, Michigan Friends Center manager.

The event will be occurring from 2-5 Sunday March 3 at the Michigan Friends Center, 7748 Clark Lake Road, Chelsea, Michigan. There is no charge; donations will be cheerfully accepted.

"Please preregister if you can by calling the Friends Center (734)475-1892 or email manager@mfcenter.org. If you can't, we will still be happy to see you," said Holland.

## Dexter Community Orchestra Presents: "Madcat and the DCO"

**From: Andrew Thomas**

If you grew up grooving to the jazzy rhythms of Dave Brubeck - or if you just enjoy catchy, tuneful music of any kind - don't miss the Dexter Community Orchestra's late-winter concert, "Madcat and the DCO," featuring popular blues harmonicist Peter "Madcat" Ruth. The concert will take place Sunday, March 3 at 4 p.m. in Dexter High School's Center for the Performing Arts.

Madcat will perform "Blues Suite for Harmonica and Orchestra" by Chris Brubeck (Dave's son), as well as some other jazz favorites. Also featured will be pianist

Shuya Zheng, winner of this year's DCO's Youth Artist Competition, who will perform the opening movement of Sergei Rachmaninoff's "Piano Concerto No. 1."

Madcat grew up in Chicago, where he took harmonica lessons from famed bluesman Big Walter Horton. There he met Chris Brubeck, and eventually joined Darius Brubeck's jazz group, playing alongside such legends as Gerry Mulligan, Paul Desmond, and Dave Brubeck himself (including at the Newport Jazz Festival). For the past 45 years, Madcat has lived in the Ann Arbor area, while performing internationally on the folk, blues,

and jazz circuits.

Music Director David Schultz has assembled what is sure to be a crowd-pleasing concert for music lovers of all ages and tastes. The program includes Leonard Bernstein's lively overture to the Broadway musical "Candide," and "Ethiopia's Shadow in America" by African-American composer Florence Price.

This is a family-friendly concert, so bring the kids and grandparents! Like all DCO concerts, this event is free to the public, no ticket required. Donations to help defer the orchestra's expenses are greatly appreciated.

# February is Heart Month

By Aimee Bingham  
anbingham@gmail.com

February is Heart Month, it's also Black History Month, but I'm only qualified to discuss Heart Month. I am qualified because at the age of 35, I had an aortic aneurysm resulting in open heart surgery and a tissue heart valve, and a stroke in my 40s. Heart Month is a month-long event of education and awareness to help draw attention to cardiovascular disease. The

White House proclaimed on American Heart month 2024," Each year, heart disease takes the lives of nearly 700,000 Americans. It is the leading cause of death in our country."

As a woman, working with the American Heart Association on the Go Red for Women campaign each year for the past 13, I'd be slacking if I didn't hammer in the point that heart disease is the number one killer of women. According

to Go Red for Women, "Heart disease is a killer that strikes more women than men, and is more deadly than all forms of cancer combined."

That's the bad news. The good news is you can change your outcome. Lifestyle plays a huge role in heart disease whether you have a family history or not. The Heart Foundation suggests 30 minutes of moderate aerobic exercise for, five days a week. Maintain a normal

body weight, and follow a nutritious meal plan like the Mediterranean Diet. Quit smoking or never start, this includes vaping nicotine. Avoid recreational drugs, indulging in no more than ½ to one alcoholic beverage per day.

One way we can make a drastic difference is by learning CPR. There is the hands-only option, which I teach and my daughter knew it by the age of two. According to the Amer-

ican Heart association," The location of Out of Hospital Cardiac Arrests (OHCA) most often occurs in homes/residences (73.4%)" Which means, if you learn it and have to use it, you'll most likely be saving someone you live with. Further, "If performed immediately, CPR can double or triple the chance of survival from an out-of-hospital cardiac arrest." The simple act of learning can potentially save the life of

your family member.

As a survivor, a speaker for the American Heart Association and someone grateful to have the opportunity to be writing today as a part of the Chelsea community, I want to offer free training on Hands-only CPR to any organization interested throughout the month. If you'd like more information on Heart disease check out <https://www.heart.org/>. If your company or organization would like free training email me at [anbingham@gmail.com](mailto:anbingham@gmail.com).

## Meet Acclaimed Authors During National Reading Month

continued from page 1  
thors in Chelsea, a two-day event featuring nationally recognized, award-winning children's authors. In partnership with the Chelsea School District, Authors in Chelsea includes assemblies and workshops for more than 1,000 Chelsea students in grades 1-6, bringing quality authors into classrooms to inspire students and encourage a love of reading and writing. To prepare for the March 19-20 event, hundreds of books by visiting authors were delivered to Chelsea School District courtesy of Chelsea Education Foundation.

This year's visiting authors include Saadia Faruqi, Beth Vrabel, and K.A. Holt.

Saadia Faruqi is a Pakistani American author and interfaith activist who writes books for readers of all ages. Her most popular series, Yasmin, has twenty titles and follows the life of a spunky second-grade Pakistani American girl named Yasmin as she creatively works through everyday problems. A Kirkus Starred Review states, "Readers will be charmed by this one-of-a-kind character... Utterly satisfying." Ms. Faruqi will visit 1st and 2nd grade students at North Creek Elementary School.

Beth Vrabel is the author of more than a dozen books for middle grade readers,

including The Newspaper Club, A Blind Guide to Stinkville, and To Tell You the Truth. Beth's realistic fiction focuses on friendships, family, and kids who learn to stand tall and solve problems in their everyday lives. Ms. Vrabel will visit South Meadows Elementary School to present to 3rd, 4th, and 5th grade students.

Kari Anne (K.A.) Holt is the award-winning author of several middle grade novels-in-verse. Dedicated to showing kids that anyone can be the main character of a book, she writes a variety of books in and about poetry. Ms. Holt will visit 6th grade students at Beach Middle School.

In an interactive presentation Holt will explore where ideas come from, what makes a good story, and how to write interesting characters.

Authors in Chelsea is about more than school visits! In addition to their time in the classrooms, this year's authors will be featured at An Evening with the Authors, which is open to the public and free of charge. The event will take place on Tuesday, March 19, at 6:30pm in the Washington Street Education Center Board Room located at 500 Washington Street, Chelsea, MI. Don't miss this exclusive opportunity to hear each author share their journey

into the world of writing, participate in Q&A sessions, and get your books personally signed by the authors. Families, homeschoolers, lovers of youth and teen literature, and even aspiring children's authors are encouraged to attend. The first 20 families to arrive will receive a coupon for a free book! Books will also be available for purchase courtesy of local Chelsea bookstore, Serendipity Books.

Authors in Chelsea is possible thanks to the Chelsea District Library, the Chelsea School District, the Chelsea Education Foundation, Serendipity Books, and the Friends of the Chelsea District Library.

Special thanks goes to South Meadows Principal Stacie Battaglia for her years of support of this event.

About Us: Chelsea District Library (CDL) is a not-for-profit organization whose mission is to engage, inspire, and equip through evolving services and resources. CDL currently serves 16,126 residents in the Chelsea library district—City of Chelsea, Lyndon and Sylvan Townships, and the portions of Lima and Dexter Townships within the Chelsea School District. # Mikey and Me, Local Dog Foster Celebrates 300 Adopted Dogs

breeds, who are two of the gentlest, nicest dogs, I've ever owned, this makes sense. Mikey and Me finds homes for 36-40 dogs per year and creates a happy place to stay for those in need of a home. If you're looking to adopt, check out Mikey and Me's Facebook page. It's a rotating slideshow of adorable sweet dogs looking to help you make your house a home.

► continued from page 1 organized and priced the items and held two enormous barn sales, each one taking about six months of work. Using that money Daniel was able to close up the lower level of the barn to keep the elements out and spray insulation to keep the dogs safe and warm. Someone donated a fairly new furnace and the barn is now as cozy as a home. Daniel's love for dogs shines through in the interview. He did not want to cram dogs in small kennels like the kind they probably endured at rescues. He brought in seven spacious kennels, each the size of a small room.

He took me back from the front room, rebuilt by a twelve-year-old working on his Eagle Scout Badge.

I was given a tour and the opportunity to meet the fosters. I warned him that my love for dogs may make me want to adopt, but that I have two at home and am not in the position. He gave me a knowing smile. He'd heard this story before from his volunteer dog walkers, of which, had adopted about 9 dogs. Daniel is currently set on volunteers and has enough so that these little fosters get about 4 walks per day and some play, and snuggle time. He even has a heated play, and snuggle area inside the barn so that when Michigan weather is too unpleasant for walks the dogs are afforded snuggles and a place to get the zoomies out. These dogs also have an outside playground and walking

paths through the vast property. Daniel has created the perfect foster spot for dogs who have been lost from their families or up until this point, have had unfortunate lives. He's giving the sweet little pure-hearted babies a wonderful bit of hope.

Daniel teamed up with Happy Days Dog and Cat Rescue. The dogs come fully vetted and Daniel is careful to select dogs that are safe for his volunteers and for the public. The dogs are fixed and receive shots before adoption. Adoption fees go straight to Happy Days to cover the cost of vet care for the animals. Local pet stores donate bags of kibble which keeps costs down for Daniel. If you can't adopt at the moment, Daniel welcomes do-

nations of canned dog food, which can be stored. He also accepts donations of long-lasting treats, no raw-hide but other options such as No-Hide chews. Rawhide can be a choking hazard for dogs and dogs need to be watched with rawhide, at all times, which is simply not feasible. Mikey and Me has hit the 300 dogs adopted milestone, including the nine they nursed to health from heartworm. The average dog at Mikey and Me is 2-3 years old. Dan-

iel is temperament but not breed-selective. As the owner of two bully

# Adult Learners Institute Announces its March Lineup

In addition to St. Patrick's Day and the first day of Spring, the month of March also provides the following intellectual stimulation, courtesy of ALI.

Walking in Our Grandfathers' Footsteps is the name of Wendy Zielen's class on March 4 when she shares stories of the men who served in one of history's most tragic catastrophes, World War I, the Great War. The stories of their courage, heroism and pain are revealed in historical records and artifacts, as well as in their personal memories.

Hank Muir asks that one refrain from dancing to the melodies of the first half of the twentieth century in his American Musical Theater classes on March 6 and 13. However, he does allow toe tapping to music from Tin Pan Alley through Bing Crosby, Judy Garland, Nat King Cole, Rock n' Roll, and even some singers we have never heard of.

Ann Beyer's March 8 class, What's Up? Wolf Ethology introduces ethology, the science of behavior, and she suggests that the behavior of wolves may explain some traits of human behavior. She has made several trips to the International Wolf Center in Ely, Minnesota, where she has learned much the relationship of these animals not only to their own habitat, but also to what they can tell us about ourselves.

We have all experienced that unexpected "hunch" that alerts us that something dangerous or harmful or possibly quite wonderful is coming at us. But when the moment passes, we tend to dismiss its significance. Beverly Fish thinks we should take that "hunch" seriously, and in her classes on March 11 and 18, Developing Your Psychic Ability and Spiritual Self, she will discuss ways in which we can enhance our intuitive abilities, not just occasionally but in our everyday lives.

Susan Nenadic's classes on March 20, April 3 and 10, Aging: Three Films Finding Joy in New Relationships, upend the notion that aging is simply a matter of rocking

chairs and pills. The three films focus on an English woman who moves to a boarding house in London, a French lady who befriends a man considered "not too bright", and an 84-year old former Mau Mau warrior from Kenya who wants to learn how to read.

Unless you are unconscious, you may find it difficult to avoid becoming at least a little distraught occasionally. Reverend Dr. Price cannot promise to remove the sources of our anxiety but his March 22 class, Decision Making and Anxiety will show how to hit the reset button when "S\*\*t happens. He advises students to bring along their questions as well as their sense of humor.

Trisha Terns' trained ear for language has allowed her to figure out how to harness thought and language to work more effectively to enhance our health, wealth and relationships. Her March 27 class, Mindfulness and the Art of Internal Language is an engaging dive into the principles of neuro-linguistics, a tool that you probably never knew existed but one that can enhance memory and provide

strategies for effective communication

Is an Electric Vehicle in Your Future? is the question explored by John Daly in this class on March 25. Most of us have to admit that we really don't know much about them. While most EV owners charge their vehicles at home, they also need public chargers. However, not all

EVs can use every public charger, and various charger types recharge EVs at different speeds. This class simplifies matters and helps you decide if, indeed, an EV is in your future.

Catalogs containing more information on these and ALI's other Winter/Spring classes, as well as the registration form are available at grocery

stores, libraries, senior centers and several churches and businesses throughout the Five Health Towns area as well as at [www.alimichigan.org](http://www.alimichigan.org).

You will find that the elimination of ALI's administration fee and the renovation of the web site have made registration for ALI's classes much simpler.
