CHELSEA HOCKEY PLAYER ON WASHTENAW UNITED

Photo By Jennifer Henriksen

By Dave Merchant
dmerchant9701@yahoo.com

Hockey is a big sport in Washtenaw County. One of the elite girls hockey teams (Washtenaw United) has one player on the team from Chelsea.

Cecilia Henriksen is a freshman at Chelsea High School.

Her sports are Ice Hockey and volleyball. She plays center on the hockey team.

She is excited about sports this

year. "I am trying out for the HS volleyball team, and really hope we get to have a season," Cecilia said. "I am looking forward to starting high school."

Math is her favorite class. Her parents are Andy and Jennifer Henriksen, her sister is Sasha Henriksen (age 12), and Hazel her labradoodle, (age 2.5).

"I like camping, playing guitar and ukulele, and listening

From Lisa French

The United Methodist Retirement Communities (UMRC) Foundation Board voted unanimously on August 12, 2020 to make a gift of \$7,500 each to the Chelsea and Ypsilanti Meals on Wheels programs to honor and remember the legacy of long-time

Chelsea pillar and former UMRC Foundation Board Chair, Ann Feeney. Ann, who passed away on July 27, 2020, served the UMRC Foundation Board from 2010 to 2016.

"I first met Ann Feeney while I was serving as the local leader of Ele's Place," says Wendy Brightman, now president of UMRC Foundation and Porter

Hills Foundation, with headquarters in Chelsea, Michigan. "Ann was warm and kind and tough as nails, all at the same time. She became a dear friend and trusted advisor to me."

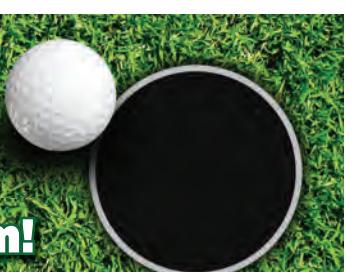

When Brightman came to UMRC, she was delighted to learn she would get to serve with Ann again. Ann had a long history of service to

Not Even a Pandemic Can Stop the Power of Your Library Card!

From Virginia Krueger

September is Library Card Sign-up Month, a time when Chelsea District Library (CDL) joins the American Library Association (ALA) and libraries nationwide to encourage community members to sign up for a library card. This year, DC's Wonder Woman is embarking on a mission to champion the power of a library card as ALA's Library Card Sign-up Month Honorary Chair. In her new role, Wonder Woman will promote the value of libraries and encourage everyone to get their very own library card.

- Checked out over 19,600 ebooks and audiobooks
- Checked out over 17,900 print books, DVDs, CDs, Book on CDs, and more
- Provided over 18,007GB worth of internet usage through our CDL Hotspots
- Had over 29,600 visits to our website

A CDL library card will rapidly become the most valuable card in your wallet! It unlocks a vast array of materials and services. Not only do you have access to a constantly updated collection of books, video games, movies, music and e-books, CDL provides so much more. Your library card gives you access to nontraditional items like zoo and park passes, mobile Wi-Fi hotspots,

and equip the Chelsea community! New this year is a convenient option to apply for a library card online at <http://bit.ly/2020LC-SUM>. Be one of the first 200 patrons to lasso your very first CDL library card in September and be entered for a chance to win a gift certificate to a business of your choice in the CDL service area! Children must be able to sign their name to be eligible for a library card.

For more information about CDL and all it has to offer, visit chelseadistrictlibrary.org or call (734) 475.8732.

About Us: Chelsea District Library is a not for profit organization whose mission is to engage, inspire, and equip through evolving services and resources. The Library currently serves 15,100 residents in the Chelsea district – City of Chelsea plus Dexter, Lima, Lyndon and Sylvan townships and more than 16,000 individuals visit the Library each month. For more information visit chelseadistrictlibrary.org.

So, in spite of the physical building being closed, your library is still actively pursuing new ways to fulfill our mission to engage, inspire, and equip the Chelsea community! Chelsea Community Fair Livestock Auction

continued from page 1
From Kathy Grau

The livestock auction was held on August 27 and was virtual this year. Kathy Grau had these words to say at the begin-

ning of the auction: "We would like to welcome you to our Chelsea Community Fair Livestock auction. We thank each and every one of you for coming out tonight to support

these kids. Everyone played an important role in putting this fair together under the circumstances. We did not want to give up and let COVID-19 take the fair away from

us entirely. We are really missing the fair ambiance and hope that we never have to experience this again. While the schools have been out since March, the kids had

that much more time to spend with their animals, making the decision to proceed forward this much easier for all involved. We have to remember that there is no perfect

way to plan an event during a pandemic. We are just happy that we are able to put on something for these kids that have kept their lives somewhat normal."

United Methodist Retirement Communities (UMRC) Foundation Remembers Ann Feeney with Gift to Local Charity

\$7,500 to Chelsea, Ypsilanti Meals on Wheels

Honors Feeney's Legacy

► continued from page 1
older adults in the community through Meals on Wheels. For many of those years, the food was prepared in the kitchen of UMRC's Chelsea Retirement Community campus. "Ann served meals and care to home-bound older adults for more than 43 years," says Brightman. "No matter the weather, Ann knew she was their lifeline, their faith leader, and their friend."

As Ann visited residents on the Chelsea Retirement Community campus, she noticed a challenge that she was able to remedy: she began sewing cloth bags that residents could at-

tach to their walkers to carry things from place to place. "I have no idea how many bags she made over the years and would guess she had no idea how many she made either," says Brightman. "She wasn't one to seek compliments – she simply saw a need and found a solution."

A pillar of the community, Ann served the Chelsea Board of Education and became Chelsea's first mayor in 2004. Her passion for older adults also led her to serve on the UMRC Foundation Board for six years and as its chair from 2012 to 2014.

"Serving with Ann in 'her' town of Chel-

sea was magical," says Brightman. "During her board service to the UMRC Foundation, UMRC opened the new Dancey House common spaces, including the Fireside Grille and a well-stocked library. We constructed Glazier Commons, a new assisted living community on our Chelsea campus; created beautiful resident cutting gardens; and brought our faith-based services back to the older adults of Detroit with the opening of The Thome Rivertown Neighborhood Assisted Living and low-income apartments."

Current UMRC Foundation Board Chair,

Marianne Conner, says Ann was a wonderful role model for her. "I consider it a great privilege to have served on the UMRC Foundation Board with Ann Feeney. She was a strong leader who kept everything on track, but would gently remind us of how important our work is to provide for seniors in our community. Ann will be missed for all the guidance she has provided the UMRC Foundation over the years."

Inspired and encouraged by Ann's passion for serving older adults, over the next five years the UMRC Foundation raised over \$35 million in donor support as part of its Growing to Serve campaign. Results of this campaign include expanding the Kresge Healthcare and Rehabilitation Center at UMRC's

historic Chelsea campus, launching the Positive Approach® to Care dementia training for care partners at Towsley Village Memory Care Center, unveiling the UMRC Foundation's Staff Scholarship and Emergency Aid programs, expanding UMRC's Benevolent Care program for qualified residents, and helping fund the construction of Huron Valley PACE (Program of All-inclusive Care for the Elderly) in Ypsilanti and Thome PACE in Jackson.

Brightman adds, "Ann leaves an indelible mark on the community of Chelsea and the older adults we serve. I am grateful to our UMRC Foundation Board for honoring Ann's legacy through this gift to the Chelsea and Ypsilanti Meals on Wheels. It would have meant so much to her, and I believe it is our responsibility to carry her legacy forward."

"I could walk through any issue or concern with Ann," says Brightman. "Her guidance came from a place

Time machine

By Dave Merchant
dmerchant9701@yahoo.com

Over the years everyone has their own set of circumstances that make up their own frame of reference. Now each person's is different and even identical twins are different.

I would like to give you my 10 greatest sports moments, I wish I had a time machine to go back and take a ride.

No. 10 This would be a two-parter. I would like to go back to when the Pistons

won back to back NBA Championships. I would like to have seen Vinnie Johnson (the microwave) hit his shot with just about no time on the clock for the win.

I would love to see the Bad Boys win their second title in a row.

No. 9 I would love to have watched in person when Evil Knievel jumped the Grand Canyon. I had all the toys and memorabilia a kid could possess on that one.

No. 8 The last and

only time the Detroit Lions won a playoff game. Since it only happened once in my lifetime I would love to sit on the stands and soak it in. Especially knowing what I know now.

No. 7 Watch the records that Michael Phelps broke in the Olympics. No one in the history of the sport won more medals and broke more records than Phelps.

No. 6 Travel back in time and watch Usain Bolt who won Gold Medals in both

the 100 and 200 meter dashes. The man is incredibly tall and incredibly fast. And I mean fast. What an athlete.

No. 5 See the Detroit Tigers win the World Series in 1968. I would love to see firsthand when Mickey Lolich finished the game and Bill Freehan held him up. What a moment for the Tigers and for the City of Detroit.

No. 4 Watching the University of Michigan football team the last time

they defeated Ohio State University. Can't remember when or where it was but I would love it.

No. 3 Going back to when my alma mater Wayne State University played for a football title. Unfortunately they lost. But I am still a Tartar fan.

No. 2 Watching the Detroit Tigers win the World Series in 1984. Seeing the Bless You Boys drop the San Diego Padres. There were so many great moments in the series. Mine was watch-

ing Kirk Gibson take Rich "Goose" Gossage deep for a very special home run.

No. 1 I would like to be watching Roberto Clemente hit his 3,000 career hit in the last game of the 1972 game for the Pittsburgh Pirates. He would later die in a plane crash on New Years' Eve, he was bringing humanitarian relief to Puerto Rico where an Earthquake had hit.

No. 1 This would be a two-parter. I would like to go back to when the Pistons

watched the Detroit Tigers win the World Series in 1984. Seeing the Bless You Boys drop the San Diego Padres. There were so many great moments in the series. Mine was watch-

ed you enjoyed my list. Please send me yours dmerchant9701@yahoo.com.

Coaches Comments (Pat Clarke):

IT WAS VERY MUGGY TODAY!

The course was hilly!

These two factors made for very slow times.

Despite the trying conditions the girls performed very well.

The second-place finish was a great effort by the team.

Tecumseh is the defending Re-

gional Champions with everyone back from last year.

Obviously we made it very uncomfortable for them.

This meet was as close as they come.

We have come a long way from last year.

We have a lot of improving to do, but the

girls will work at it. I am confident in their ability to improve.

"Senior Captain

Natalie Davies led the way with a third place performance

and Freshman Trilian Krug placed fifth in her first varsity race.

Freshman Seren An-

gus ran a great first race to place seventh," said Coach Pat Clarke.

"We will continue to improve, and

get our team prepared for our season.

This team will get a lot better as the season progresses!", Clarke concluded.

Coach Swager's Comments: We got on the course just after a thunderstorm, leaving the conditions a tad steamy.

We decided to run a smoothly paced race and pass people in the second half. Although the course was slow, we got in a good workout and

competed hard. Our top 4 guys led the charge, moving up and passing the All-State returnee from Homer. 4 of our mid pack guys had lifetime bests, including Colby Pfeiffer, who earns "Runner of the week" honors. It is nice to see solid efforts from the main pack.

We look forward to continued competing and improving.

CHELSEA HOCKEY PLAYER ON WASHTEENAW UNITED

► continued from page 1 to music," she said. "I came really close to finishing middle school with a 4.0 GPA."

Her proud moments in sports were exciting. "Last season, I was named team captain of the 14U

Ann Arbor Cougars, and got my first ever hat trick!"

Advice for other students athletes is strong: "When you work hard and push yourself to be your best, it makes sports more fun," she said. Coach Adam Win-

ters had this to say about Cecilia: "I've had the pleasure of coaching Cecilia the past 2 seasons. She served as captain of the 14U Ann Arbor Cougars this past season where she was second in goals and points for the season. She's a lead-by-example player who comes to practice to work and always with a smile on her face. She's comfortable carrying the puck and has a good shot, hoping to see her among the top scorers for the United this season."

Old US-12 Culvert Replacement Project Informational Meeting

By Charla Hamilton
charlachelseaguardian@gmail.com

On Wednesday August 26 a public informational meeting was held virtually by the Washtenaw County Road Commission to give updates on the Old US-12 Culvert Replacement project. Emily Kizer, Communications Manager for the Washtenaw County Road Commission hosted the meeting along with the project managers. The two project managers in attendance were Aaron

on L. Berkholz, Senior Project Manager and James Hui.

Mr. Berkholz began the meeting by discussing the why now for this project? He explained the culvert is deteriorating, and that any further deterioration may result in a closure, and that they also wanted to wait until the Cavanaugh Lake Road Bridge reopened. He then discussed their intentions for this project which are: remove the existing, deteriorating cul-

vert, replace with an aluminum box culvert, install a guardrail over the culvert, and pave the road at the culvert.

James Hui then spoke (James will be overseeing the day to day operations of the project). Mr. Hui discussed exactly where the culvert replacement is taking place. They will be closing Old US-12 between the Township Hall and the 94 overpass in mid-September through mid-October. James stated that the

closure time would be dependent on weather and that message boards will be onsite in advance of the road closure. He also stated that they are currently talking with their contractor to try and push up construction due to concerns for the elections and the ballots. He said they don't want to deter motorists in the month of October. They are still waiting on an answer back from the contractor about pushing up the work schedule. He

did state however, that they have been assured by the contractor that they should be able to complete the project within a month.

Mr. Hui then discussed the impacts of traffic. He stated that Old-US 12 will be closed to ALL traffic at the culvert location and that Sylvan Township Hall and Michigan State Police will be accessible from the southwest side. He said their goal is to have the project completed before

Kitty & Company

By Kitty Golding

Kitty & Company will be conducting a series of short interviews with Chelsea Residents for 52 weeks, bringing to light differing personalities and design styles in our community. Perhaps you will meet someone new through these weekly interviews or perhaps it will be YOU! Stay tuned and follow us each week - we now introduce you to our second couple interview - Mr. and Mrs. Joe and Cristina Manly.

What is your current profession? Cristina - Various positions in the Healthcare industry for 10+ years; Joe - Engineering 8+ years.

Your family members: Kaehla (daughter), Noah (son) & Alex (daughter-in-law) and

Achilles (grandson). **People think of me as:** (Cristina) a workaholic (Joe) an overachiever but really I am (Cristina) ok, I guess I am! (Joe) a risk-taker.

When did you move to Chelsea and where did you live prior to coming to Chelsea? We relocated to Chelsea in September of 2000, from Menifee, CA. Our SoCal home was a 2300sqft ranch style home (which we prefer) and was a four bedroom/ bath open concept with a 3 car garage and no basement. It was a nicer home than we have in Michigan, but we left California to get away from the rat race and the high cost of living.

What do you love about where you currently live? Chelsea offers a country setting with resources that are close by, offering the best of both worlds.

If you could have a second home anywhere, where would it be? New Zealand would be nice. We've admired the beauti-

ful scenery from the Hobbit/LOR movies, and researched/seen video of the island culture. There is a very attractive broad range of environments from forests and mountains with snow to warm beaches with great surf.

What three words describe your style? Simple, comfortable, functional

Who most influences your design styles? HGTV Shows, The main show we like on HGTV is Fixer-Upper with Chip and Joanna Gaines. Joe likes the repurposing and combination of wood and metal applications and Cristina loves Joanne's color applications and shabby chic styles.

What are you most inspired by in your design/decor? Our Faith and European Culture.

As you think about the home in which you grew up, what elements did you like and do you think you have incorporated some of them in your own home? Being of European descent, it was typical for our families to gather around the kitchen, so we have some items passed down that have become decorations in our home, and others that we still use for cooking.

When entering your home, how do you want it to feel? Welcoming!

What is one element or trend in design you do not like? Something that is too cheap to last or too expensive to enjoy.

Have you ever remodeled a home? Yes we have including some projects that we are proud of, using salvage materials. Below, I share about our fireplace and mantel

Joe and Cristina Manly • Photos by Joe Manly

and we also completed a kitchen remodel as well - hiring an Amish family in Ohio to create the island for us. It was fashioned from a reclaimed door, along with molding and ceiling tile all from a 19th century basilica.

What is the biggest design issue you struggle with? Coming up with true useful solutions for the design of existing spaces.

Have you ever sought professional interior design help? No, but on some of the efforts we wish we did.

If you were moving and could only select one item from

your home to keep, what would it be? A hand-hewn beam on our mantle, that I saved from a friend's family farm. It is the oldest single family farm in Shiawassee County (1865) and their grand-

father and other family members had hewn it themselves. I built in supports for the mantel over our fireplace and put in a stone wall facia. When I was finished, I stamped the **continued on page 10**

Incident #: 20-1904

Location: Wilkinson X Old US 12

Date: August 27, 2020

Time: 3:38 pm

INFORMATION: While on routine patrol an officer responded to the Chelsea Police Department for the report of a larceny of a yard

sign. Upon arrival the officer made contact with the victim who stated that on August 22nd at around 12:00 am a yard sign was stolen out of their front yard. The case remains open pending some further investigation in an attempt to identify the suspect.

Incident #: 20-1890

Location: 100 block of Willow Ct.

Date: August 25, 2020

Time: 11:39 am

INFORMATION: While on routine patrol an officer took a telephone complaint from a subject who had been the victim of a fraud related to an Anti-Virus scam. The victim stated that he had been contacted by

mail and by phone regarding an issue with his anti-virus software. The suspect reportedly convinced him to allow him remote access into his computer and also convinced the victim to send money to him using a prepaid gift card and instructed him to read him off the redemption codes on the card. The case was closed pending any further investigative leads on the identity of the suspect.

Incident #: 20-1888

Location: 1600 block of S. Main Street

Date: August 25, 2020

Time: 12:04 am

INFORMATION: While on routine patrol officers responded to the 1600 block of South Main Street for the report of a retail fraud that had occurred. The complainant reported that a male subject in his 50's walked into the

store and proceeded to go back to the cooler area where the alcohol was located. The clerk watched as the suspect grabbed a six pack of Mike's Hard Lemonade and began walking back towards the exit. The suspect left on foot. Case closed pending any further investigative leads on the identity of the suspect.
